PROFESSIONAL SUMMARY

Software Engineer focused on **Python, Go, and React**. Specialist in Full Stack development, scalable APIs, and automation. At Aeontech, I created solutions that enabled infrastructure migration (AWS/On-Prem) resulting in **80% cost reduction** and operational optimization.

PROFESSIONAL EXPERIENCE

Aeontech **May/2025 – Present**

IT Analyst (Infrastructure and Automation)

Development of automation solutions and system integration.

- **Python & API Development:** Created integrations via Zabbix API for custom monitoring and reporting.
- **Automation Scripts:** Developed Shell and Python scripts for Active Directory data extraction and automated reporting.
- **Migration Engineering:** Technical execution of AWS to On-Premise migration (80% savings).
- **System Integration:** Implemented Graylog + Wazuh stack via APIs to correlate logs and detect fraud in real-time.

Compass UOL **Nov/2024 – Apr/2025**

DevSecOps & Cloud

- CI/CD pipelines (YAML) for deployment automation.
- Scripts for infrastructure provisioning (IaC) on AWS.
- Custom metrics for Prometheus and Grafana via API.

NDA - Electoral Campaign **Apr/2024 – Oct/2024**

Data Engineering

- Development of ETL pipelines in **Python and Pandas** for electoral data processing.
- Automation of reports and SQL database management.

SKILLS

Cloud, DevOps & SRE

Linux, Windows, AWS, ELK, Docker, Kubernetes, CI/CD, Terraform, Ansible, Jenkins, Zabbix, GitFlow, Grafana, Prometheus, Graylog

Development

Python, Golang, SQL, Shell, Bash, HTML, CSS, JavaScript.

Network & Security

Proxy, Reserve Proxy, Firewall, VPN, SSL/TLS, TCP/IP, DNS.

PROJECTS

Client Hub (SaaS)

Docker, CI/CD, Go, React
SaaS for client management for small businesses.

Self-hosted Services

Docker, Twingate, Firewall
Zero Trust VPN, VLANs, Reverse Proxy, DNS, etc.

pdf2md

Python, Docker
Docker-First containerized Micro SaaS.

EDUCATION

UNINTER
Software Eng.
2024 – 2028 (Bachelor's)

UFRJ
Mechanical Eng.
2017 – 2021 (Bachelor's)

CERTIFICATIONS & LANGUAGES

AWS Cloud Practitioner

English: C1 (Advanced)
